BAIA  
ARMANI / **Roca**

**Come feel the Mediterranean with us.**

**Ona Collection. Simple as Nature.**

Ona pays homage to the diverse shapes of nature from our native Mediterranean. It is functional without ever appearing cold, with crisp aesthetics that follow the inherent warmth of the natural environment, made for those who enjoy the power of silent landscapes.

## Everything you need to design your own bathroom space

Digitalisation, technological development, protecting our planet and the increased concern for hygiene are trends that continue to influence our everyday lives. These tendencies determine the way we communicate, work, travel, shop, socialise and, most certainly, how we use such an important space as the bathroom. At Roca, we follow their evolution closely with the aim of better interpreting and anticipating new habits, needs and preferences all around the world.

Therefore, with you as our priority, we have applied our knowledge and expertise to the development of groundbreaking solutions that respond to the new demands in design, comfort, hygiene and sustainability.

In this issue of Everything in Bathrooms you will find a careful selection of our latest bathroom solutions. Among them, you will discover the Ona collection, with its versatile and Mediterranean style, as well as new products using our most innovative technologies and materials. These solutions will allow you to enjoy your bathroom space, helping you prioritise your and your family's wellbeing in an efficient and sustainable way.

As always, it is our goal to offer you the most comprehensive and up-to-date range of products that will make the bathroom your favourite space in your home.

## Roca's commitment

Roca is a family-owned company with a firm commitment to society, proven throughout our century-long history. As a global leader in bathrooms and a United Nations Global Compact member, we are committed to take action towards sustainability, aligning our strategic priorities with the Sustainable Development Goals (SDGs).

Pressure on our planet's natural resources and the challenges posed by climate change require an urgent response from all of us. For this reason, we continue working to improve the environmental impact of our operations in line with the Science Based Targets (SBTi) initiative. It is our priority to innovate and develop sustainable technologies with a circular approach; manufacturing products that last, and saving water and energy in millions of bathrooms worldwide.

## European water label scheme

Many of our products are registered with the Water Label scheme. The scheme identifies water saving products, that when installed and used correctly, will use less water, saving energy and money. The Water Label is used across Europe for most bathroom products.

Throughout our brochure, we have used the one-line version of the label as shown above, the flow rate classification is measured at 3 bar pressure.

## Showroom information:

Product Bands

Throughout this brochure our product ranges are categorised in either Product Band A or Product Band B. Each band is represented by one of the following icons:

# Smart and Innovative WCs

Discover our most innovative WCs, including the new generation of Roca Smart Toilets, with integrated washing and drying functions for maximum hygiene, comfort and wellbeing. Further innovative options include the clever W+W and In-Tank® Meridian, both perfect where space is at a premium.

In-Wash® Inspira P.30

## Smart Toilets

Discover more about Roca's Smart toilets at [www.uk.roca.com](http://www.uk.roca.com)

Roca's Smart Toilet collection presents a number of intuitive models that combine the quality and design commitment of a standard WC, with washing and drying features for the ultimate in personal hygiene.

**In-Tank® Meridian**  
The unique In-Tank Meridian WC is a revolutionary bathroom fitting concept which incorporates the tank in its interior.

In-Tank® Meridian P.33

**In-Wash® In-Tank®**  
Enhance your personal cleansing routine with In-Wash®, now featuring the In-Tank® technology, which integrates the tank into the bowl.

In-Wash® In-Tank® P.28

**Rimless technology**  
The new generation of Roca rimless toilets represents the best in innovative design and new technology.

In-Wash® Nova P.32

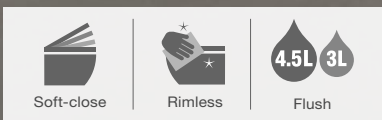

W+W P.34

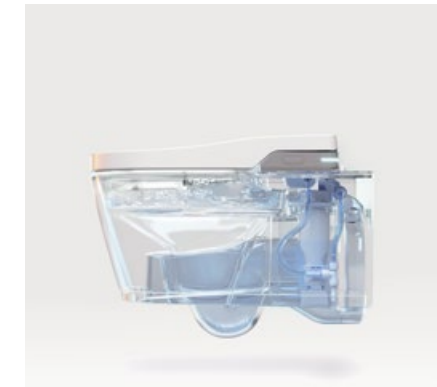

Rimless technology

# In-Wash® In-Tank®

## In-Tank® technology, the all-in-one solution

### Integrated cistern

The Soft Air technology propels water from the tank to the upper part of the bowl in a powerful, upwards motion, quietly and effectively flushing the toilet.

### Rimless Vortex

A bowl cleverly designed to propel water around in a 360° whirlpool. The asymmetrical shape of the bowl, free of angles and nooks, contributes to a more powerful and efficient flush.

### Supraglaze®

The inside of the bowl features an additional new glazing, exclusive to Roca, which helps reduce the build up of unwanted bacteria and facilitates the removal of particles.

### Controlled flush

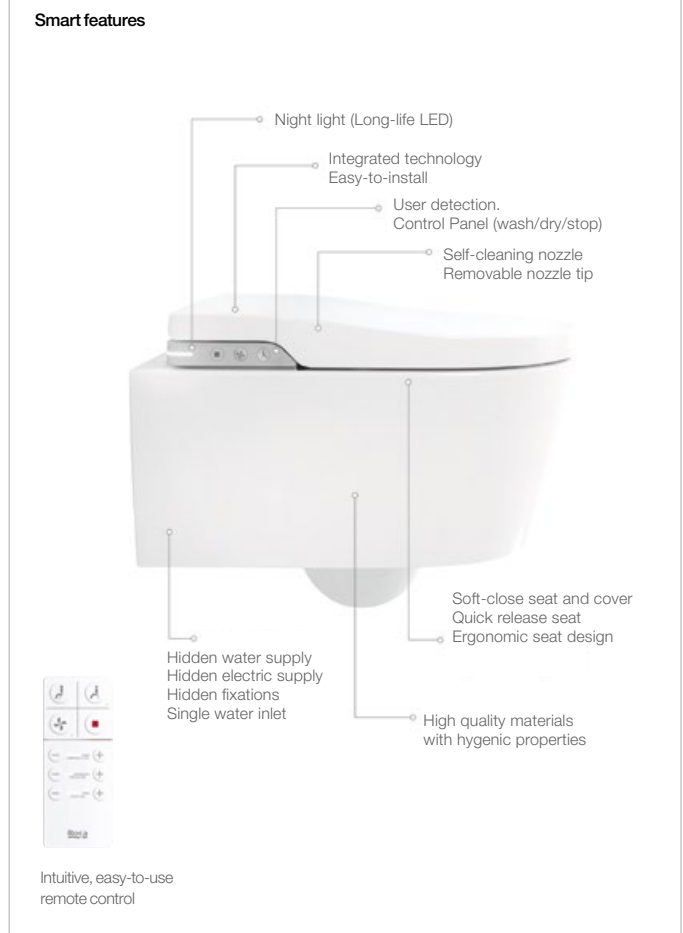

A button on the side allows users to activate the full flush manually. Alternatively, use two buttons on the base of the remote control for a dual flush that consumes 4.5 litres for a full flush and 3 litres for a partial flush.

# In-Wash® Nova

# In-Tank® Meridian

### Detachable nozzle tip

The nozzle tip is removable for easier cleaning.

### Rimless technology

The wall-hung version of the In-Wash® Nova has rimless technology.

### Removable seat

Seat and cover are easily removed making cleaning more hygienic.

### Self cleaning nozzle

In-Wash® Nova has a retractable self-cleaning nozzle that operates before and after each use.

The unique In-Tank Meridian WC is a revolutionary bathroom fitting concept which incorporates the tank in its interior. It is the first WC to offer wall-hung and back-to-wall options which do not require a concealed cistern, facilitating ease of installation and creating an ideal solution for small spaces. Water enters the tank and then air is introduced by a revolutionary blower which has been developed in collaboration with Fluidmaster. This innovative blower pushes the water through the toilet rim to flush the WC. Works on mains pressure only. Requires electrics. For pre-installation instructions please visit [www.uk.roca.com](http://www.uk.roca.com)

# W+W

W+W brings together design and sustainability by combining the toilet and washbasin in one single piece. Complemented by the Singles-Pro tap this solution is the logical choice for situations where sustainability and design excellence are top priority.

All water entering the basin of the W+W passes through an exclusive drainage system. Due to the special filtration system, particle debris is separated out from the waste water, allowing only the liquid to pass directly into a small treatment tank where it is purified. Each flush is made directly from this tank, which is connected to the WC cistern. In this way, the water supplied is clean and hygienic. Thanks to Roca's revolutionary 'water reuse technology' every last drop of this discarded water can now be saved and used again.

**Choice of finishes**

Enjoy the choice between a modern matt white, classic glossy white or the new Supraglaze®, for an extra smooth finish which prevents dirt build-up.

**Fineceramic® basins**

Fineceramic® enables us to create products that are 40% lighter whilst retaining the benefits of using a material which is 100% ceramic.

**Toilets & Bidets**

Available in varying dimensions, including wall-hung, single floorstanding, close-coupled, compact options and wall-hung and back-to-wall bidet models.

**Rimless WCs**

Rimless toilets are free of angles or nooks ensuring more accessible and more efficient cleaning.

Complete your bathroom with furniture and baths from the Ona collection. (See P.100 and P.245)

**Ona Collection.  
Simple as Nature.**

Discover more about Roca's Ona collection at [www.uk.roca.com/ona](http://www.uk.roca.com/ona)

**Mediterranean lifestyle inside your own bathroom**

Ona pays homage to the diverse shapes of nature from our native Mediterranean. It is functional without ever appearing cold, with crisp aesthetics that follow the inherent warmth of the natural environment, made for those who enjoy the power of silent landscapes.

**The complete solution**

The Gap collection provides a wide range of modern design options, including WCs, basins and bathroom vanity units to optimise any space. The extensive furniture range also includes perfect solutions for compact bathrooms as well base units for on countertop basins.

**Round or Square design**

The Gap WCs and bidets are available in either Round or Square designs.

**Choice of basins**

Choose from a selection of wall-hung, on-countertop, in-countertop and semi-recessed basins.

**The Gap**

The Gap offers a fully extensive range featuring basins, WCs and bidets. The collection is accompanied by complementary furniture and baths, providing an endless array of possibilities for any type of bathroom. The Gap collection features additional round shaped WCs and rimless options, providing increased options and choice. With its soft and subtle design details this collection can create a truly contemporary look in any bathroom.

New Victoria  
Complete your bathroom with furniture from the New Victoria collection. (See. P.136)

TH Number of tapholes  
RH Right hand taphole  
LH Left hand taphole

\*\* Please note the 405 basin with RH taphole is not compatible with basin mixers featuring the cold start function.  
\*While stocks last

Please note a bidet cover is not available for the Nexo wall-hung bidet  
Please note an additional concealed cistern is required when installing a back-to-wall or wall-hung toilet, please refer to page 80-83 for a selection of compatible cisterns  
\*These basins have countersunk holes which can be drilled for three tapholes (chargeable). 0 taphole basins can be drilled for 1 taphole (free of charge) or for 3 tapholes (in some cases 2 tapholes may be possible) if required (chargeable). Please specify at the time of ordering the quantity and handing of any tapholes required. Code: 000001030

**Versatile collection**  
 Various WC, bidet and basin options available, there is a solution for all bathrooms

**Rimless**  
 WC options are available with a new optimised rimless design to provide greater hygiene.

# Debba

A collection with a wide range of solutions that, combined with its sober yet current design, make it adaptable to every bathroom space.

Discover more about Roca's Debba collection at [www.uk.roca.com](http://www.uk.roca.com)

**Toilets & Bidets**  
 Available in varying dimensions, including wall-hung, single floorstanding, close-coupled, compact options and bidet models.

**One or two tapholes**  
 All Debba basins feature one taphole, with the addition of several sizes available with two taphole options too.

**INSTALLATION SYSTEMS**

# Touchless cistern valve for close-coupled WCs

## EM1 Touchless dual flush valve

Roca's Touchless solutions are suitable for both domestic and commercial use, providing an extra layer of safety within the bathroom. Featuring infrared sensors, touchless products allow users to activate the water flow in taps, the flush of the WC or the mirror light using a simple movement without the need for contact, avoiding the spreading of viruses and the growth of bacteria.

Full or half flush

**Touchless = Hygiene**

The flush activates without contact thanks to an integrated infrared sensor, avoiding the spreading of viruses and the growth of bacteria.

**Wave hand**  
Half flush  
3/2 litres

**Still hand**  
Full flush  
6/4. 5/4 litres

The dual flush valve body has WRAS approval.

**Quick install**

Quick assembly and activation.

**No electrical installation**

It works on 4 AA batteries (not included) that guarantee more than 40,000 flushes.

**Manual battery back-up**

It also works manually if the batteries run out.

**Adjustable dual flush**

Full and half flush volumes to be adjusted between 2 and 6 litres.

**Universal**

Compatible with most cisterns with a ø40mm cistern hole and an external cistern height (with cistern lid) of 360-390mm.

**User friendly**  
Just a simple wave of the hand. EM1 recognises the required flush (full or half flush volumes).

Discover more about Roca's Touchless valve at [www.uk.roca.com](http://www.uk.roca.com)

# Customisable basins - Modo

On a highly aesthetic and functional level MODO has been developed, the first collection formed from a new solid surface material, SURFEX®.

The collection is formed of washbasins, shelves and baths, available in a range of sizes.

Modo washbasins are fully customisable allowing you to create a solution for your space requirements.

### To build your customisable basin

1. Choose the basin shape, size and taphole configuration, see Table 1
2. Add additional bowls if required, see Table 2
3. Choose basin skirting options, see Table 3
4. Please contact our Sales Office for further details regarding the RRP on 01530 830080

Table 1

**Furniture**

With a colour palette to complement all interior schemes you can choose from nature inspired wood styles, matt tones or contemporary gloss finishes to define your space.

**Brassware**

From basin mixers to shower heads, add sophistication to your bathroom with a variety of brassware finishes, available across several collections to cover all your bathroom needs.

**Accessories**

In the modern bathroom, accessories can be much more than a functional element, and this is especially true if you opt for coloured pieces. From shelves to robe hooks, there's options for every space.

Our highly durable Everlux® finish is available in Titanium Black, Rose Gold and Brushed Titanium Black across brassware and accessories.

Colour swatches are available on request and are available to view in the Roca bathroom furniture finishes guide. To request a Furniture finishes guide contact our Marketing team on: 01530 830080 or alternatively please email your request to: [marketing@uk.roca.net](mailto:marketing@uk.roca.net)

**Colour trends**

**Transform your bathroom**

Colour can completely transform a bathroom, we invite you to play with colours, textures and shapes to create daring spaces in which tiles, toilets, shower trays or baths suggest everything you and your home have to tell.

Take a look at our colourful range of furniture, brassware and accessories for all your decorating inspiration.

Complete your bathroom with Naia taps (P.176)

# Ona

### Furniture

A varied offer is designed to correspond effortlessly with each need. Depending on the size, compartments with one or two drawers can be integrated. Guided rails with a soft-close feature and fully extractable drawers make for easy handling. Incorporating an organiser in the top drawer, Ona furniture offers perfect order with integrated handles.

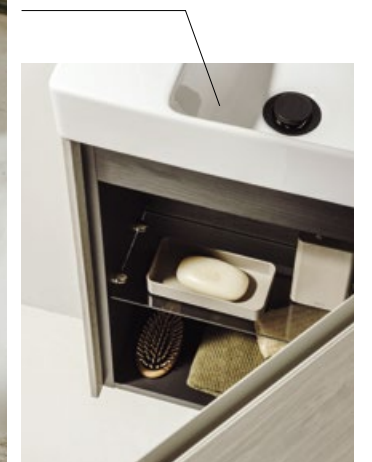

### Washbasins

Ona washbasins are made from Fineceramic®, a material that forms pieces that feature slender contours and are more resistant while also being lighter, opening the doors to never seen before designs.

### Space saving solutions

The space-saving compact furniture offers a choice between the single door and double drawer. For further space maximisation, Ona offers reduced depth furniture and ultra compact doors to make your bathroom as accommodating as possible.

## Ona Collection. Simple as Nature.

Discover more about Roca's Ona collection at [www.uk.roca.com/ona](http://www.uk.roca.com/ona)

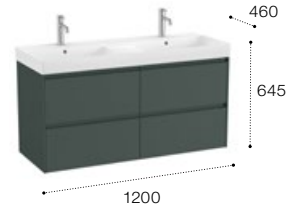

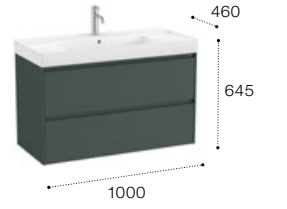

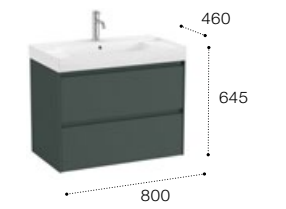

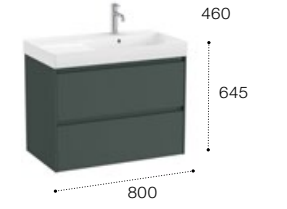

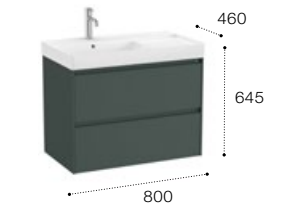

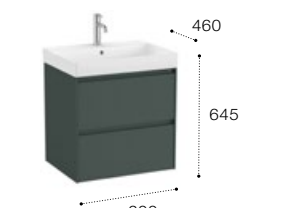

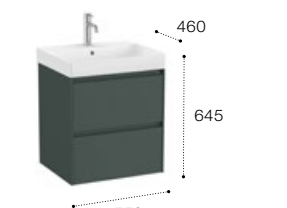

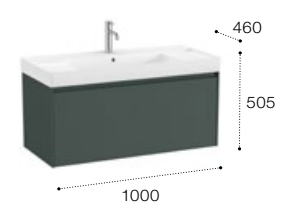

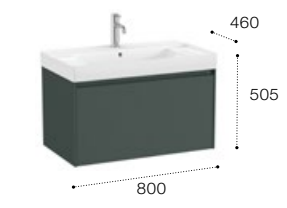

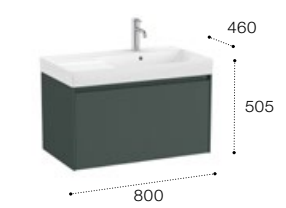

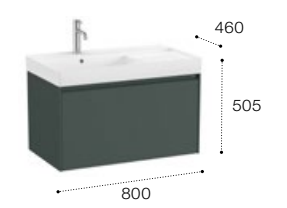

### Mediterranean lifestyle inside your own bathroom

Ona pays homage to the diverse shapes of nature from our native Mediterranean. It is functional without ever appearing cold, with crisp aesthetics that follow the inherent warmth of the natural environment, made for those who enjoy the power of silent landscapes.

## Basin and countertop colour combinations

UNIK products (Base unit and Countertop) Light Oak base units are supplied with the Pebble Grey finish countertop. If you order these components separately a Pebble Grey countertop will need to be ordered.

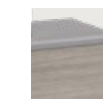

Please substitute the countertop finish to 514 Pebble Grey.

UNIK products (Base unit and Countertop) Dark Elm base units are supplied with the Matt Grey finish countertop. If you order these components separately a Matt Grey countertop will need to be ordered.

Please substitute the countertop finish to 510 Matt Grey.

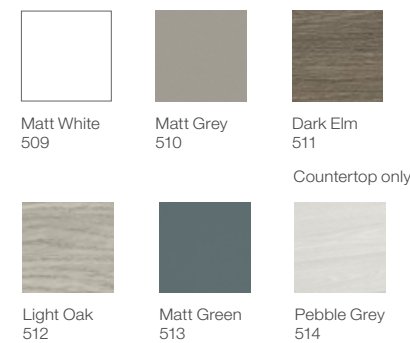

512 Light Oak Base unit  
514 Pebble Grey Countertop

511 Dark Elm Base unit  
510 Matt Grey Countertop

Product Band A

# Tenet

Practical and simple

Coming soon

The Tenet range proves that practicality and good looks go hand in hand. With the capacity to keep bathroom clutter at bay, Tenet furniture ranges in size from a compact vanity to a double basin unit with six drawers.

And with five finishes to choose from – Walnut, City Oak, Nordic Ash, Gloss Grey and Gloss White – the sleek handleless furniture will perfectly complement any bathroom.

**Different dimensions to suit all bathroom spaces**

The Gap offers cabinets with a width ranging from 500mm to 1200mm, so the right dimension can easily be found for every bathroom space. There is a choice of a standard depth of 460 mm or a compact version with a reduced depth of 380 mm.

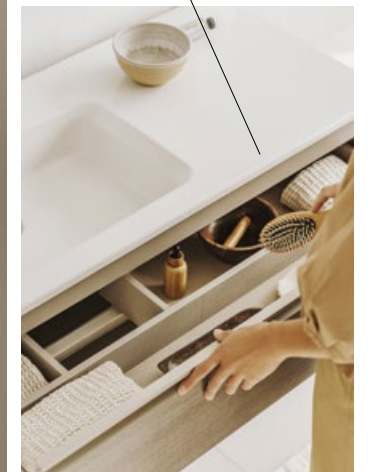

**Finishing touches**

Available in an extensive range of colour choices including Gloss White, Anthracite Grey, Arctic Grey, Nordic Ash and Textured City Oak, the look can be perfectly finished with a handle in Matt Nickel or in Gloss Aluminium to complete the look.

**Accessories for easy storage**

To make it even more practical, The Gap bathroom cabinet can be finished with accessories such as a side towel rail or convenient organising boxes that make storage in drawers easier.

**The Gap**

Renowned for its contemporary and functional style, The Gap range is specifically designed to optimise the bathroom space. For practical and customisable bathroom furniture, discover the new possibilities The Gap has to offer with this broad extension to the popular range

# Ruy Ohtake

Ruy Ohtake was one of the most well-known and respected architects in Brazil and in the world. Responsible for designing structures across the country and overseas merging technological innovations with an original plasticity. Ohtake's conceptual ideas can be recognised for their extreme sculptural forms and bold use of colour, always creating a sense of surprise.

### Greater sophistication, enhanced resistance

Roca has been able to create a range of colours with a gloss or matt finish to offer multiple combinations in the creation of sophisticated and highly resistant bathroom spaces.

**Sophisticated finish**  
Exclusive trendy coating that provides elegance and uniqueness to the bathroom space.

**Sustainable**  
Purely physical technique that doesn't require harmful chemicals during its production process.

**Resistance**  
Ultrafine and hard metal-based layer that guarantees a surface that is extraordinarily resistant to scratching and cleaning products.

**Roca Everlux**  
Chrome coating  
Nickel coating  
Brass surface

**Everlux® colour range**  
Everlux is available in Titanium Black, Rose Gold and Brushed Titanium Black.

Rose Gold    Titanium Black    Brushed Titanium Black

## Everlux® Hard wearing inspiration

Products with Everlux coating stand out for their exclusive and trendy finish, which provides distinction and uniqueness to the bathroom space.

**Insignia**  
Insignia brassware is available in four finishes. Choose from Rose Gold or Titanium Black with an Everlux® finish. The range is also available in Chrome.  
P.170

**Ona**  
Ona brassware is available in four finishes offering the possibility to customise the bathroom space. Choose from Rose Gold or Titanium Black with an Everlux® finish. The range is also available in Matt Black or Chrome.

# Smart Shower

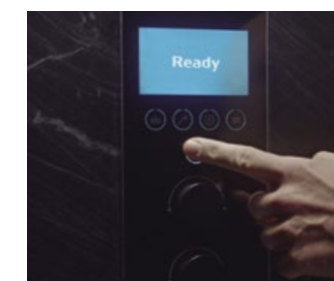

The digital Smart Shower combines striking design with powerful performance. The Smart Shower uses smart technology to personalise each showering experience.

Discover more about Roca's Smart shower at [www.uk.roca.com](http://www.uk.roca.com)

## Smart Shower

At the forefront of smart technology, Roca's Smart Shower enables you to control and customise every aspect of your shower through the control panel or through an app, to enhance your luxury showering experience.

### Intuitive use

Its capacitive technology and the ergonomic design of its rotating controls make the Smart Shower very user-friendly. Moreover, as its buttons light up when touched, its use is very intuitive, even for children or the elderly.

### Fully customizable

Tell the Smart Shower how you want your daily shower to be. Indicate the temperature, the flow rate and water outlets and it will save your preferences in your app's profile and make your life easier.

### Self-cleaning

The Smart Shower has a cleaning program that activates all water outlets, releasing an intermittent high-pressure flow of water to remove lime and impurities, which build up in pipes and jets.

### Ultrafine design

The control panel barely sticks out from the wall thanks to its 12 mm thick profile.

Dimensions are in mm.

Product Band E

The Smart Shower requires a minimum pressure of 1.5 bar for optimum performance. A shower pump will be required if used with a low pressure water system. Please ensure that you seek guidance from bathroom professionals regarding your installation requirements. If you require further details please contact our Customer Service team on 01530 830080.

# Smart Shower Packs

To help you design the perfect shower for your needs, we have specially selected five different shower packs below. Alternatively, you can choose the Smart Shower and create different variations for your requirements by selecting different showering or bath accessories. The Smart Shower can be paired with up to three different outlet options, providing various showering combinations. Please see pages 228-239 for shower and bath accessories.

### Functions

**Rain**  
The fine water droplets are converted into tiny threads, giving the body a sensation of lightness and pleasure.

**AquAir**  
Water and air are combined to give a soft, foamy sensation for a truly relaxing experience.

**Pulse**  
Intermittent fine jets of parallel flowing water that give the body a revitalising massage.

**Spray**  
A powerful water spray, divided up into tiny droplets that stimulate the blood vessels and give the body a revitalising massage.

# Baths and Shower Trays

Create your perfect wellness retreat with Roca's baths and shower trays, crafted from high-quality materials in a variety of styles and sizes. From freestanding baths to walk-in showers, there's options for every space.

Beyond P.247

Ona P.245

## Bathing materials

When choosing a bath, material choice depends on individual preference and intended use. In order to be able to provide the right solution for all situations, Roca manufacture baths in different materials, each with distinctive characteristics that defines its design, shape, function and finish.

Kauai P.245

Beyond P.247

### Stonex®

Baths made of Stonex®, a strong and durable material offer a delicate texture, with a warm surface that is particularly pleasant to the touch. Choose a freestanding Stonex® bath to provide a statement piece in the bathroom space.

### Surfex®

Freestanding baths made of the new material Surfex® come in a range of flexible designs and shapes, which were previously unthinkable. With an outstanding plasticity, this innovative material has a warm mineral texture, which is very pleasant to the touch and has anti-slip properties, ideal for any bathroom.

Carmen P.253

Swing Plus P.255

Virginia P.248

### Cast Iron

Reclaiming the classic robustness of cast iron, these baths not only look and feel elegant but are extremely durable and strong. Their incredible thermal and acoustic insulation properties allow them to maintain the temperature for longer, letting you stay in the bath for as long as you wish!

### Steel

With a triple coating of a high gloss enamel, steel baths offer a highly durable and hygienic option. Steel keeps the water warmer for longer and is easily cleaned without affecting the finish.

### Acrylic

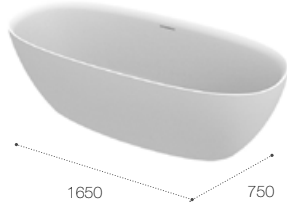

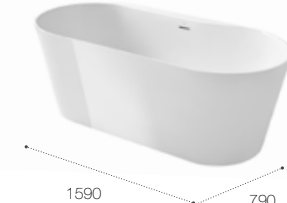

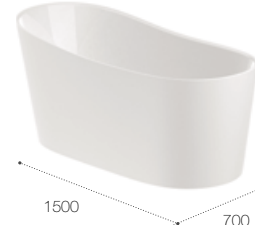

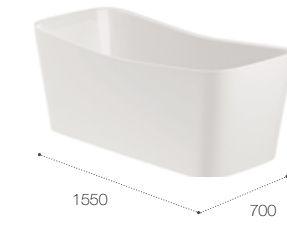

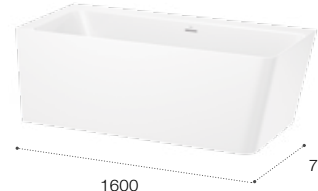

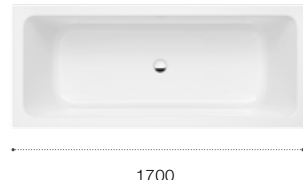

A highly versatile and resistant material, acrylic baths make it possible to produce lighter shapes that are easy to install and maintain.

# Acrylic bath panels

Reinforced standard and tall panels go through a two stage reinforcement process to make them strong, rigid, smooth and glossy.

Superthick panels are made from double thickness, high impact polystyrene.

**SHOWER TRAYS**

# Senceramic®

**Anti-slip**

Textured surface that guarantees the highest anti-slip levels, while offering a very natural sensation, pleasant to the touch.

**Easy cleaning**

The zero porosity of vitreous china prevents the absorption of water and therefore, the build up of humidity and bacteria.

**Extraslim**

Stylish design that allows its floor-levelled installation, thereby facilitating its perfect integration in the shower area.

**Resistance**

Vitreous enamel, exclusive at Roca, that ensures the stability of pieces against abrasive products, extreme temperatures or UV light.

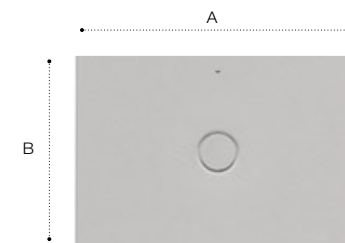

**Colour range**

Cratos is available in five exclusive colours: Matt white, Beige, Coffee, Pearl and Onyx.

The shower trays in Senceramic® feature an innovative anti-slip texture, inconceivable in the design of vitreous china products until now.

| Installation kit for wet room showers with geotextile sheet, to be installed with your choice of tile offering a seamless design where no frames are visible. Not compatible with plate X1 or plate X2. |     |     |     |     |     |

# Accessories

Roca accessories add personality to your bathroom with small details that make a difference. Each range radiates its own individual style to form a unique and innovative collection.

Ona P.266

Discover more about Roca's Accessories at [www.uk.roca.com](http://www.uk.roca.com)

## Subtle luxury

Offering both freestanding and wall-mounted options, the Tempo collection is timeless and exceptionally versatile, now available in four on-trend finishes: Rose Gold, Titanium Black, Brushed Titanium Black and Chrome.

Tempo P.268

## Dual fixing

Twin and Victoria accessories collection with neutral and functional design. Besides the installation with screws, Twin allows an adhesive fixation system that prevents drilling and guarantees high resistance (up to 5 kg. of static load).

Victoria P.278

## Countertop accessories

Ona accessories include a pack with countertop elements (tray, container, soap dispenser and tumbler), available in three matching furniture colours (matt white, matt grey and matt green).
